

# HAPPY WINTER HOLIDAYS

**Dear Parents,**

**Greetings!!!**

Here we are again and December is upon us and with it comes all the excitement that the season brings. It is a busy time filled with the hustle and bustle of gift shopping for friends and family near and far. It means travelling to visit family or opening our homes to receive guests. Traditions such as visiting Shops, decorating our homes in beautiful lights is all part of the New Year celebrations.

Springdales family would like to take this opportunity to thank the staff, students and parents for their continued support. Our school is truly a committed school and it is at this time of year when the closeness of friendship, gratitude and moral values shines in our students. The new-year will bring new learning experiences, new challenges and new fun. We look forward to what new learning lies ahead for us as in **2022**.

We wish you all Peace, Joy, Hope and Happiness during this Holiday season and throughout the New Year and wish all the parents and students **HAPPY NEW YEAR**. **The school will remain closed for Winter Break from 1st January 2022 to 13th January for Kindergarten to class 9th and from 1st January 2022 to 9th January for class 10th.** The students should utilise this time to enjoy their hobbies and try to get some real life learning experiences.

The **\*Holidays Homework\*** has been framed in an integrated manner and is theme based. It will be available in the **\*Notice Board\*** of the school website and Google classroom for your reference. In case of any concern you may contact the class teacher of the respective class.

**Regards,**

**SPRINGDALES SCHOOL**

---

**HAPPY NEW YEAR**

**SPRINGDALES SCHOOL  
WINTER HOLIDAYS HOMEWORK  
SESSION: 2021-22  
CLASS: 5TH**

**THEME: THE EARTH AND BEYOND**

**“When you look at the stars and galaxy, you feel that you are not just from any particular piece of land, but from the solar system.”**

**- Kalpana Chawla**

**1. Cover page designing : Imagine that school is launching a book ‘A Comet Meets His Solar Family’. Make a colorful and attractive cover page of the book on an A-4 size sheet. You can use color pens, decorative materials to make your cover page attractive.**

**2. भारत के स्रोत नदी ,समुद्र तथा पहाड़ों को दर्शाते हुए रंगीन कागजों के टुकड़ों को काटकर A4 शीट पर चिपकाते हुए सुंदर सा कोलाज़ बनाएँ ।**

**3. Create your own 3-D spacecraft:**

**Do you love protecting your world in the space? Enemies are on the move to enter the Earth to dominate it and expand their territory. Let’s become a great savior and protect our planet now. Design your own spacecraft. All you need is a plastic bottle, coloured sheets, fevicol, cardboard, scissors. Let’s recycle the plastic bottles.....**

4. The average distance between the Earth and Venus is 25,724,767 miles. Estimate the given number to the nearest tens, hundreds and thousands.

5. Create a beautiful poster in MS Word showing how to protect our 'Planet Earth'.

6. Why did people believe the earth is the center of the solar system when it's obvious the sun is?

Note: NOTE: All work is to be done on A4 size sheet paper/Coloured sheets.

-Draw margins on all the 4 sides of the sheet(s).

-Use black sketch for outline only.

-Keep your handwriting neat and legible

Computer:

Q1. Create a poster with heading " Things to do and not to do in computer lab". You can draw a pictures or paste images to show your creativity. Use A3 size sheet

Teacher Incharge: Preeti Verma
